Entered at the Post Office at Bloomsburg, Pa., as second class matter, March 1, 1888.

**TO SUBSCRIBERS.**  
It is nearly a year since state-

number have not paid yet for the  
past year, and some are behind  
several years. Statements will be  
mailed soon to all who owe for a  
year or more. Those who dislike  
to be *damned* can avoid it by paying  
up soon.

The price of newspaper has  
nearly doubled, but the subscrip-  
tion price has not been advanced.  
This compels us to insist upon  
prompt payments, and we, there-  
fore, request all subscribers know-  
ing themselves to be in arrears, to  
make payment at an early date.

The early closing of the stores in  
town, three nights a week, is a suc-  
cess. The clerks are pleased, and  
the public is satisfied, or at least we  
have heard of no complaints.

Luzerne county has 40,000 men,  
between the ages of twenty-one and  
forty-five years subject to military  
duty. This almost equals in number  
the Boer Army in South Africa.

One of the cheapest and best ways  
of fighting insect pests in the orchard  
is by giving a good flock of poultry  
the run of it. Their natural instinct  
is to pick up every bug, insect and  
worm they see.

"Between Two Foes," a stirring  
military drama, will be given a ren-  
dition, in the fore part of October  
by the young people of town who  
so successfully produced "Tony the  
Convict" last season.

This is the time of year most  
dangerous to the health of little  
children. Children should have  
plenty of fresh air and wholesome  
food and then sickness will not be  
liable to attack them.

Mrs. Maggie Berlin died at her  
home in Berwick on Friday morn-  
ing, aged 33 years. A husband,  
George Berlin, and three children  
survive. The immediate cause of  
death was consumption.

A fact, evidently not generally  
known, is that all letters, contain-  
ing any writing whatsoever, in or-  
der to insure its delivery in Blooms-  
burg, requires a two-cent stamp.  
This has been the case ever since  
the induction of the free delivery  
system.

Pimples on the face are not only  
annoying, but they indicate bad  
blood. Hood's Sarsaparilla cures  
them by purifying the blood.

Hurley Dirk died of typhoid fever  
at his home in Unityville, on Wed-  
nesday evening of last week. His  
death is a peculiarly sad one, cut  
down in his youth with a bright  
future before him. He was aged  
twenty two years and had just  
graduated from the Philadelphia  
Dental College.

The "Farm Journal" is cream,  
not skim-milk, and just the paper  
for the man who keeps cows. It  
goes nearly five years, remainder  
of 1900, and all of 1901, 1902, 1903  
and 1904, to every subscriber, new  
and old, to the COLUMBIAN who  
will pay a year ahead. Both papers  
for the price of one. Pay up.

The Rescue Fire Company is  
preparing an extensive program for  
the opening of its new quarters on  
East Fifth street, which is sched-  
uled to occur about the first of Aug-  
ust. Invitations have been sent  
to the fire departments of the sur-  
rounding towns to be present, and  
already several acceptances have  
been received.

Paper catching fire from a gaso-  
line stove slightly damaged one room  
in the residence of J. B. Delong at Or-  
angeville Tuesday morning. In the  
afternoon fire broke out at the home  
of his brother A. P. Delong. The  
loss in the latter instance was also  
trifling. While combating with the  
flames, William Delong had his  
hand scorched.

Mrs. Rebecca Sherman of Hem-  
lock township, on Tuesday morning  
was severely cut on the face below  
the right eye, the result of being  
struck by the horn of a cow. She  
was in the act of placing a chain  
about the cow's neck when the acci-  
dent occurred. Notwithstanding  
the injury, she drove to Blooms-  
burg and occupied her customary  
place at the curb stone market.

The convention of the Pittsburg  
District of the A. M. E. Church  
convened in the A. M. E. Church  
on First street this town, Tuesday  
afternoon at half past two, and will  
continue until this evening. The  
services are of a highly interesting  
nature. Clergymen and delegates  
from the various towns in the dis-  
trict are in attendance. The public  
is most cordially invited to attend  
the sessions.

Berwick defeated the strong Free-  
land Tigers, an aggregation of base  
ballists whose reputation extends  
all over the central part of the State,  
at Berwick Saturday afternoon by  
a score of 2 to 0. Coffman, of town  
covered third base for the victors  
and his work, while not quite as  
good as he is capable of doing, was  
highly satisfactory. Berwick is  
turning out immense crowds this  
season. The spectators on this oc-  
casion numbered nearly a thousand.

The "Farm Journal" is unlike  
any other paper; for one thing it  
prints no quack medical advertise-  
ments; for another, it takes five-  
year subscriptions and gets the pa-  
per to its subscribers the full time,  
if they are anywhere on this plan-  
et, even if they move two or three  
times; if they die their heirs get it.  
Now we are going to combine with  
the "Farm Journal" and send the  
COLUMBIAN one year and the "Farm  
Journal" nearly 5 years (remain-  
der of 1900, and all of 1901, 1902,  
1903 and 1904) to every advance-  
paying subscriber, new and old, to  
the COLUMBIAN. This great offer  
had better be accepted before it is  
withdrawn.

The festival given under the aus-  
pices of the Friendship Fire Com-  
pany in the Town Hall Friday and  
Saturday evening was probably the  
most successful affair of its kind  
ever held in this town. On Friday  
evening the delicacies offered for  
sale, were nearly all donated, so  
that the money taken in was clear  
profit. But the crowd on Saturday  
evening capped the climax. The  
band discoursed music on the out-  
side, while people by the hundred  
swarmed about the sidewalks. Every  
available foot of space in the  
building was occupied by people  
either standing or sitting, and the  
demand for the frozen mixture was  
so great that people who were serv-  
ed within half an hour, were ex-  
tremely lucky. The cream was all  
sold by ten o'clock. The cakes  
which were auctioned off, were al-  
most worth their weight in gold.  
A bid for less than fifty cents would  
not be entertained, and some of  
them brought as high as two dollars  
and a half. We have not heard the  
exact amount realized, but it was  
most gratifying and the boys are to  
be congratulated upon their success.  
It is a worthy organization, and we  
are pleased to note that the people  
appreciate their services, as this  
most liberal patronage demon-  
strates.

I use in repairing; but SKILL is the  
most valuable material that can be
